Dear John and Jane,

Enclosed please find your deed for Village Cemetery Plot XXX PC. Your lot is subject to the rules and regulations now in force, or which may, hereafter, be adopted.

Currently the Marlow Cemetery Trustees are revising our Cemetery Plot Deed to reflect required RSAs as well as additional information for the plot owner. When this new deed has been adopted we will send you a new deed, which will replace this enclosed deed.

Three items of Importance shall be included in the new deed:

As noted in Marlow's Cemetery Rules and Regulations Article 17 "an unused plot that is no longer needed or wanted by the owner or heirs may not be sold privately but must be sold back to the Town.

Any new deed will include new information on plot ownership and the right of others to be buried in your plot.

RSA 289:18

In essence: Whenever a burial plot in any cemetery has remained unused and unimproved for a period of 50 years the cemetery trustees may institute proceedings (after proper notification) for the termination and forfeiture of the rights and interests of the owner. This statute will appear in its entirety in your new deed. As of March 2008 this appears as Article #18.

In order to facilitate burials in the future, the Cemetery trustees will need to identify the location of any burials in a plot by marking the location on an interment order, which will be given to you or your next-of-kin to sign at that time.

If we can be of any further service please call the chairman at 446-6201.

Sincerely,

Mary Blank, Chairman
Marlow NH Cemetery Trustees
